Fawntice's healing sound baths are unlike any other. A mirror and a clearer, the powerful sound vibrations of the gong are mindfully played to move through your physical and subtle energetic body, awakening you to your hidden potentials, while offering deep release and relaxation. Join us as you lay back on your mat and experience the magic of sacred sound healing guided by certified sound & yoga therapist Fawntice.

**Bring your positive 2020  
full moon intentions  
for self reflection leading to  
manifestation.**
