

KING-CHAVEZ Peace Garden

Garden & Gong Bath Meditation

with Fawntice Finesse and guests Masha Calloway & Jana Johnson

HONOR EARTH as our ancestors did, UPLIFT COMMUNITY, & TRANSFORM SELF

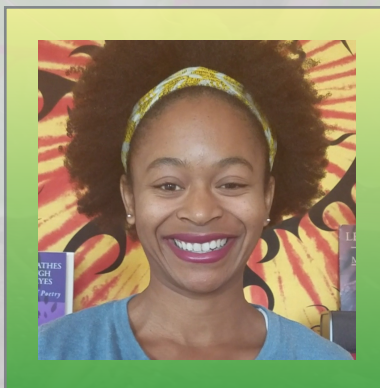

Green Tree Yoga & Meditation's community garden flourishes!
We're bringing healthy organic food to the community and learning
how to self-sustain and **THRIVE ABUNDANTLY** within ourselves, our
families, and our surroundings.

- ▶ Help plant for the new season in our King-Chavez Peace Garden, as we continually honor the peaceful movement Dr. Martin Luther King Jr. and Cesar E. Chavez instilled in us.
- ▶ Learn the mindful practice of easily planting, nurturing, and harvesting your own food from the comfort of your house or apartment!
- ▶ Plant the seeds of lasting inner peace, healing ourselves and our community with our relaxing and transformative Gong Bath meditation.
